

Brigance Preschool Screen/ Social Emotional Scale Procedures

1. The Brigance Screen and Social Emotional Scale will be administered within the child's first 30 days of entering the program.
2. Using the copy provided complete the information at the top of the screen. Be sure to put the correct date of the day you administered the screening.
3. Complete the screening.
4. Using the log in name and password insert the information into the Brigance online system.
5. Make sure your score matched the score indicated on the screen.
6. Place the written copy in the child's folder in the education section.
7. Place the written copy of the social emotional in disability/mental health section of the child's folder.
8. Using the scoring guide, share the Brigance Screen and Social Emotional Scale with the parents at the first Parent teacher conference.

Re-screen Procedures

All children who have scored below the cutoff will be rescreened in 6 weeks from the date of the screening. Follow the procedures listed above.

- *Suggestion; Using the tables and charts the online management system provides it may be easier to explain the scoring results to the parents.*
